Welcome to feel the love and Grace of our God Almighty at St. Mary's Indian Orthodox Church. The Indian Orthodox Church is of the families of and in full communion with Oriental Orthodox Churches. The Malankara (Indian) Orthodox Church traces its Christian heritage as far back as A.D.52 when St. Thomas, the Apostles of Lord Jesus Christ who came to India and established Christianity. People of the Indian province were known as the St. Thomas Syrian Christians because of our liturgy (Holy Eucharist) and sacraments were in Syriac (Aramaic) language, from the early times. The same language is believed to be spoken by Jesus Christ himself.
